One of our core values at Mt. Vernon Center for Dentistry is our belief that giving back to the community and serving those in need is not an option, it's a requirement!

As a team, we continue to donate our time and effort , at our office location, on annual basis, to provide FREE dentistry days to patients within our community through our partnership with UCM of Alexandria. Over the years we have helped hundreds of patients in need !

Our dentists have participated in multiple medical and dental mission trips locally and all over the world. Some locations to mention are Mexico, Jamaica, Philippines and Egypt.

We support several non-profit organizations and charities to provide dental care to the less fortunate. Some of these organizations include:

United Community Ministries of Alexandria UCM

Smiles for Life

Please help us grow our efforts as we donate our time and resources to help the people in need and make the world a better place.
